

FREDERICK BROSEN

W A T E R C O L O R P A I N T E R

ABOUT

Frederick Brosen is one of America's finest Watercolorists. He infuses his masterful works with a distinctive architectural romance, painting urban landscapes that are imbued with a deep sense of history and a sense of limitless personal experience. With technical expertise, Brosen starts each work with a highly detailed sketch, slowly building color with light washes before adding layer upon layer of rich tone. The results are crystalline and sophisticated images that reflect each location through the intimacy of detail.
